## FIRST RUN

User is presented with the Register via email option or the ability to skip

\*How does this look on IPad?

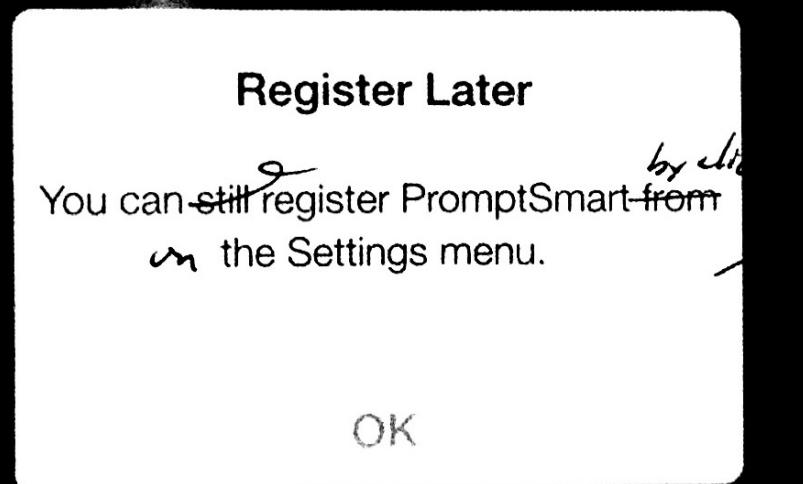

need info for why they should register here

Black doesn't pop well -  
(can we ~~background~~ shade or  
2 lighter? (still want  
dark gray))

Remind me later?

## SKIP REGISTRATION

User is reminded they can still register the product in the Settings menu

Register for X, Y & Benefits...  
ie. product updates,  
advice, blogs, etc.

SMART

Block of text about why you should  
register PromptSmart what you get  
etc....

## ENTER EMAIL ADDRESS

User is told about registration  
and can enter email address  
(will use iOS Email keyboard).

Add Cancel - or "remove"  
me later

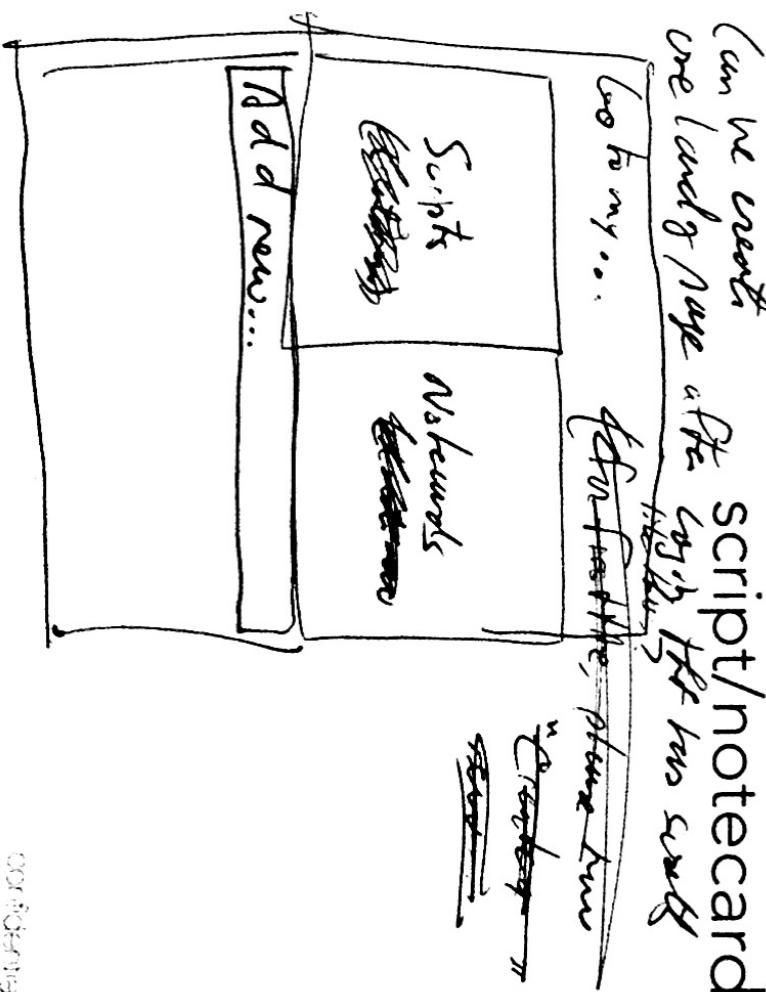

Make sure  
correct  
Keyboard (with "@")

To get started tap here to create a new Script or import an existing script

script/notecard or create a new

I find this card  
similar bubbles on other  
apps really works  
ie I can't tell which  
one is selected -  
When either the Scripts or  
Notecards section is empty, it  
will have this simple reminder  
on where to tap to import a  
script/notecard or create a new

DEC 25, 2014

The Play button allows the user to instantly start the presentation of the script. Tapping on the name of the script goes to a detailed view of the script.

I think the Sort function the script is located in the menu. \* Add Sort and Search sub menu. I would have the "Sort" and "Search" settings on this page @ Script Settings on this page @ bottom, and use small box.

The settings in the menu should be off. If the settings are on, then the

## DELETING A SCRIPT

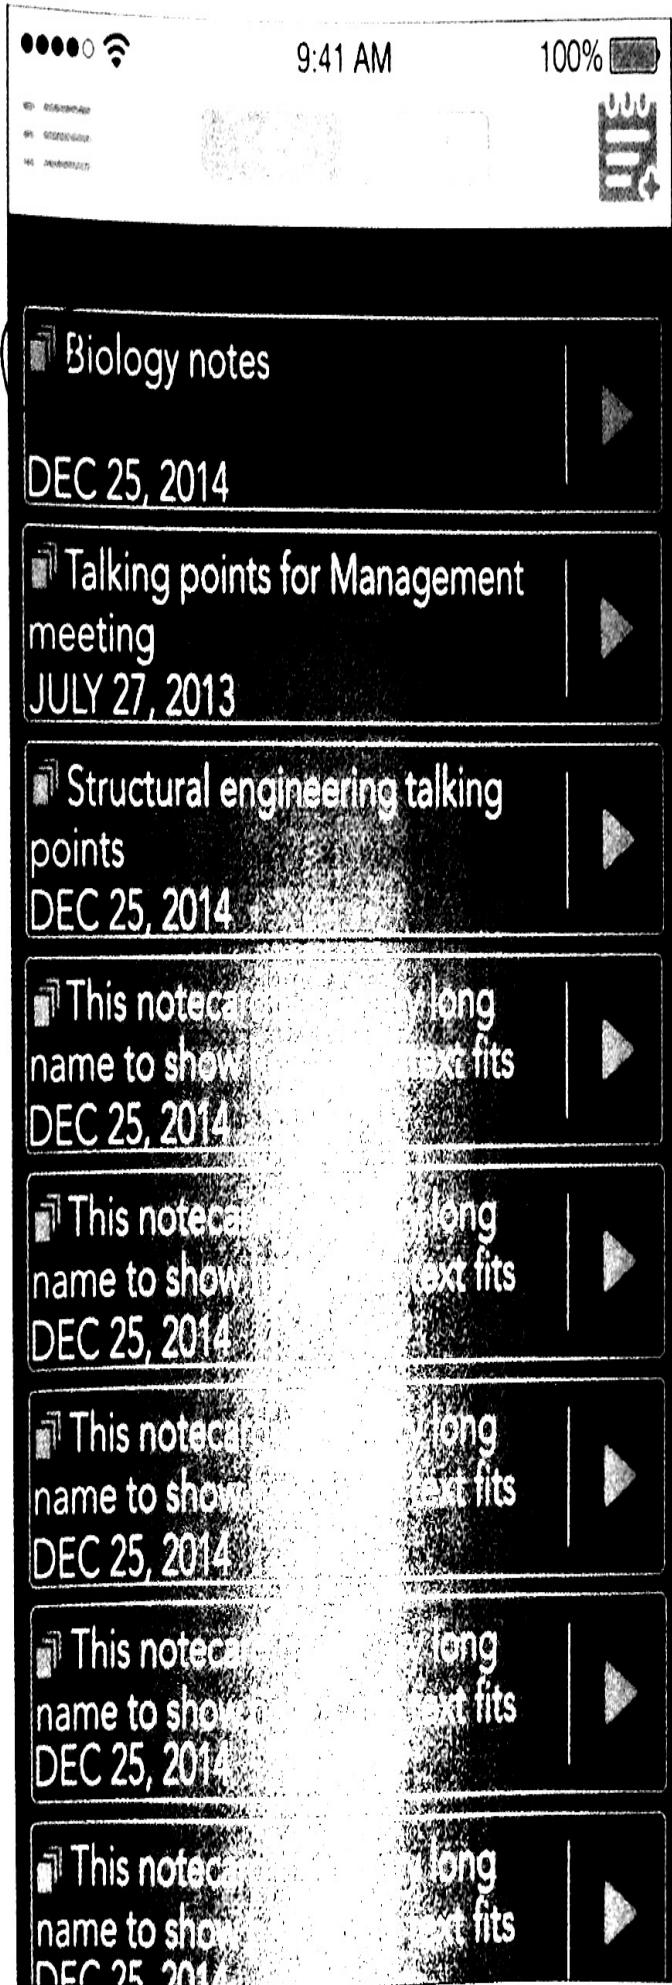

With a swipe from the Left to the Right on a Script will slide the list item to the right, and show a Delete button to delete which is more the Script.

Woman? Swipe  
L to R, or R to L.  
My standard @ Apple  
email Swipes R to L to trash,  
may be more intuitive

Some words for Notebooks

Q5. . . Once should we add a trash bin button & the ability to select script?

CORPORATE

Should  
be Landscape  
orientation

add "Bullets"

NOTECARD LIBRARY

Just like the Scripts, this is a list of all the Notecards, sorted A to Z, or Z to A or last date edited.
